PROFESSIONAL SUMMARY

MCA candidate and Frontend Developer with hands-on experience building and deploying responsive web applications using React, JavaScript, HTML5, and CSS3. Developed a React portfolio and a PHP/MySQL travel booking platform, with supporting experience in Git/GitHub, authentication, and relational databases.

TECHNICAL SKILLS

Frontend: React, JavaScript, HTML5, CSS3, Responsive Web Design

Backend & Database: PHP, MySQL, SQL

Developer Tools: Git, GitHub, VS Code, Vite, Vercel

Concepts: Authentication, Session Management, Role-Based Access Control

PROJECTS

Developer Portfolio

August 2026

React, JavaScript, Vite, CSS3, HTML5

[Live Demo](#) | [Source Code](#)

- Built a responsive portfolio application with reusable React components for projects, skills, experience, and contact workflows.
- Integrated EmailJS for contact form functionality and implemented responsive navigation across desktop and mobile devices.
- Used Git/GitHub for version control and deployed the production application on Vercel.

Uraan Travel Agency

July 2026 – August 2026

PHP, MySQL, JavaScript, HTML5, CSS3

[Live Demo](#) | [Source Code](#)

- Developed a responsive full-stack travel booking application using HTML5, CSS3, JavaScript, PHP, and MySQL with user registration and session-based authentication.
- Built user and role-based admin dashboards for travel bookings, profile management, packages, booking status, and customer enquiries.
- Used PDO prepared statements, password hashing, and role-based access control to secure application workflows, and deployed the application to a live hosting environment.

PROFESSIONAL EXPERIENCE

Market Research Executive

June 2023 – July 2025

Technowire Media & Technology Pvt. Ltd. — Kolkata, India

- Analyzed companies, markets, and business requirements to identify qualified opportunities and support targeted client outreach.
- Coordinated with international clients via email to understand requirements, clarify needs, and maintain effective communication.
- Handled concurrent research and client assignments while consistently meeting defined deadlines and performance targets.
- Recognized as Employee of the Month four times for consistent performance, deal confirmations, and contribution to revenue generation.

EDUCATION

Master of Computer Applications (MCA)

2025 – 2027

Dr. B. C. Roy Engineering College

Bachelor of Computer Applications (BCA)

2020 - 2023

Eminent College of Management and Technology | MAKAUT | CGPA: 8.01

CERTIFICATION

Web Development Using PHP | Ardent Computech Pvt. Ltd. | August 2022
